Successful 11th Annual Trout Derby

Lion Dean will be the first to tell you that he did not do all these items listed above, but it was the extraordinary members of our club and their dedication to the Lions motto of "We Serve" are the ones that were able to accomplish so much during the past year. I want to thank Lion Dean for serving as our club's King Lion for the past year. But, all these memories make me ask the question, "How do you follow an act like that?" and the answer is: this is possible, knowing that I am privileged to be serving with the best Lions in the world and together we can continue to serve those that are less fortunate here in Chambersburg and around the world during the next 12 months.

Pennsylvania State Senator Terry Punt visits the club

2007-2008 Noontime Lions Membership Drive

Our club membership for the FYE 6/30/08 is starting with 52 members.

In order to better serve our community we would like to invite more current and future influential members of our community to become involved in the greatest service organization in our area—the Chambersburg Noontime Lions Club.

In order to increase our membership, we first need to expose a greater number of people to our organization. We will do that in two ways—first by having a greater presence in our community (service projects, regular newspaper exposure) and second by promoting members inviting other community leaders to our meetings.

- *For the 2007-2008 year we will be giving away \$300 to one Noontime Lions member who has been diligent in the membership drive*
- *For every invitee you have come to a meeting—we will provide one entry into the giveaway. Additionally, for every new member you get to join the club—you will receive two entries.*
- *There is no limit to the number of entries that a Lion member can accumulate.*
- *At our installation meeting—we will draw the winning name.*

Now it is time to organize that 'hot list' of leaders (prospects) that you feel would be a quality addition to our club.
